Policy Wording and Product Disclosure Statement | HGI-HC-PDS v4.2 (effective 1 January 2026)

Part A - How your policy works

A1 This policy is made up of this Policy Wording, your Policy Schedule and any endorsements shown on your Policy Schedule. Read them together. Where an endorsement conflicts with this wording, the endorsement applies.

A2 We only cover loss or damage that happens during the period of insurance shown on your Policy Schedule, at the insured address, and only for the sections you have selected.

A3 Cover only applies while your premium has been paid. If an instalment is unpaid for 14 days or more we may refuse a claim for loss occurring after that date.

Part B - Definitions

B1 Buildings the residential building at the insured address, including fixtures, built-in cabinetry, fixed floor coverings, walls, ceilings, and permanently connected plumbing and electrical services.

B2 Contents household goods and personal effects owned by you or for which you are legally responsible, kept at the insured address. Contents does not include fixed floor coverings or built-in cabinetry where you own the building.

B3 Flood the covering of normally dry land by water that has escaped or been released from the normal confines of any lake, river, creek or other natural watercourse (whether or not altered or modified), reservoir, canal or dam.

F3 Police report For theft, malicious damage or vandalism you must report the incident to police and give us the police event number.

F4 Proof of ownership and value You must provide reasonable proof of ownership and value for items claimed, such as receipts, valuations, bank statements, photographs or manuals. Where you cannot, we may settle based on the evidence available or decline that item.

Part G - How we settle claims

G1 For buildings, we will repair or rebuild to the same or nearest equivalent standard, or pay the reasonable cost of doing so, less the excess.

G2 For contents, we will repair or replace on a new-for-old basis, subject to the limits in Part E and your sum insured, less the excess.

G3 Only one excess applies to all loss or damage arising from the same event.

G4 Coverage and settlement decisions are made by a Halcyon claims professional. We will give you written reasons for any decision to decline or reduce a claim.
